SPECIAL NEEDS

Special Needs Any age (Unlimited Members, Female/Male)

The information below is associated with the Age Chart above and on the previous page.

The Age Chart is a “menu” of divisions that may be offered by an individual event producer. An event producer does not have to offer every division listed above. However, a USASF/IASF member event producer may only offer divisions from the grid and/or combine/split divisions based upon the guidelines below, unless prior written approval is received from the USASF/IASF. Divisions/rules that are “less” or “more” restrictive than those listed are not permitted without written permission from the USASF/IASF.

The maximum size for a team is 32 competitors on the floor for the 2011-12 season, except for Levels 5 & 6 as noted.

The age of the competitor as of August 31, 2011 will be the age used for competition purposes throughout the 2011-2012 season for all divisions.

The USASF/IASF recognizes the concern with fielding teams of a broad age range and highly recommends that individual gyms/programs be vigilant in monitoring participants of various ages on the same team and that, whenever possible, a team’s composition is made up of participants of similar ages.
