MUSIC DOWNLOAD FORM

To ensure a quality projection of sound and unblemished reading of each CD, a digital sound system will be utilized for all performances at the 2011 NCA/NDA Collegiate Cheer and Dance Championship. Please see below for the process each team must take in order to complete the download process. While NCA/NDA does not require this process be followed, it is encouraged to avoid mechanical or technical malfunctions that can occur with some CDs on the superior quality sound system used for this event.

Your music will be downloaded exclusively for the 2011 NCA/NDA Collegiate Cheer and Dance Championship and will be discarded following the conclusion of the championship.

If you choose to download your music, in the remote case a malfunction occurs, you will be allowed to perform again. If the malfunction occurs within the first 30 seconds of the routine, you may choose to perform again given 5 minutes to regroup. If the malfunction occurs 31 seconds of the routine or beyond, you may choose to perform again given 10 minutes to regroup.
