

# Varsity Camp Administration Application

Dear Applicant,

Thank you for your interest in becoming a member of the Varsity Camp Administration staff. We pride ourselves on hiring hard working, positive, self-motivated people and hope that we can continue that with you. Our Camp Administration positions include Camp Managers, Athletic Trainers and First Aiders who all work together to help ensure a safe and seamless camp experience for all of our camps across the country.

Camp Managers work as a liaison between Varsity and the host site staff to ensure all aspects of camp run smoothly. From the initial set-up of camp to registration and through the end of camp this is a key position in the total camp experience. All Camp Managers must be at least 19 years of age and are required to be \*CPR certified.

Our first aid staff (First Aiders, Athletic Trainers and EMTs) works to ensure that camp participants and staff receive on-site care/evaluation for any injuries that may occur during camp. They also work very closely with Camp Managers to assist with registration, bed checks and many other administrative duties. Our first aid staff often works as Camp Managers in addition to their first aid duties and at camps under 100 participants we may send only one First Aider or Athletic Trainer. All first aid staff must be 19 years of age and certified in \*CPR and first aid.

Here is a general description of the duties our staff performs. There may or may not be other duties assigned during camp:

- Enforce all camp policies and procedures to ensure the safety and security of participants and advisors.
- Work with our instructors to make camp a fun and memorable experience.
- Set a positive role model for campers through appropriate personal behavior. Specifically prohibited is the use of alcohol and illegal drugs.
- Supervise campers any time they are not in class, including cafeteria behavior.
- Live on site during the term of residential camps (typically 4 days, 3 nights) and on call 24 hours a day.
- Nightly bed checks.

Our staff is required to travel and is ultimately responsible for providing their own transportation to and from camps.

We look forward to receiving and reviewing your application in the near future. It is our promise that we will treat all applicants and employees fairly and compassionately. We further promise to adequately train all employees for the job ahead.

Sincerely,  
Varsity Camp Administration
